Dear Ezra Parents:

New York State Law requires that students attend classes and receive classroom instruction for a minimum number of days a year in order to receive credit for the course. Each school is also required to have a comprehensive attendance plan.

Please be advised that any student who has 20 absences or more for the YEAR will not receive credit for their English and Social Studies Course. Extended illnesses accompanied by a doctor's report will be evaluated on a case by case basis. Please make sure to schedule your children's Doctors' appointments after school hours or on days off.

This can only be made up by attending summer school for English and Social Studies. Please be aware that you may have to pay \$500 at a private school to attend summer classes as public schools are not currently accepting non-public school students.

**DO NOT SCHEDULE FAMILY VACATIONS WHEN SCHOOL IS IN SESSION.**  
These will **NOT** be excused.

If you do not help us enforce these rules you are jeopardizing your child's future.

PLEASE SIGN THIS LETTER AND SEND IT BACK TO SCHOOL. THIS IS CONSIDERED A CONTRACT BETWEEN YOU AND THE SCHOOL. NO STUDENT WILL BE ALLOWED TO START THE YEAR WITHOUT THIS SIGNED CONTRACT.

Sincerely,

Mrs. Francine Hirschman  
Principal
